**Subject:** Wilcox information shared with Marathon Oil

FYI, received telephone call from Kim White of Marathon Oil asking where were the tanks located at the Wilcox site.

Provided her with the attached 3 aerial photos (Figure 3 of the HRS, a more current aerial photo of what the site looks today and a 1956 photo provided by ODEQ showing the tanks and where residences are located today).

Reminded her that for any enforcement related questions contact N. Lance and for any legal questions contact B Marvin.
